

applySettings

setup

DevLab_ICM20948::setGyro
Scale

```
graph LR; A[applySettings] --> C[DevLab_ICM20948::setGyro Scale]; B[setup] --> C;
```

The diagram illustrates a dependency or call relationship. Two functions, 'applySettings' and 'setup', are shown on the left. Both have blue arrows pointing to a larger, gray-shaded box on the right. This box contains the text 'DevLab_ICM20948::setGyro Scale', which appears to be a fully qualified function name or a specific configuration identifier.
